

# MP6

## SHALLOW MOUNT WATERPROOF STEREO

### KEY FEATURES

**Bluetooth** **Bluetooth Audio** Easily stream your favorite tunes from your smartphone with Bluetooth Audio support. View track info including a song's name, artist, and album information right on the display.

**DAB+** **DAB+ Ready** Access hundreds of stations with DAB+ digital radio. Requires connection of the AQ-DAB+ Digital Radio Receiver (sold separately).

**288W POWER** **288W Amplifier** Keep your system going with a 288W amplifier that powers up to 8 speakers or a combination of speakers and subwoofers.

**IP65** **Multi-Environment Protection** Install anywhere with waterproof (rated IP65), UV, and salt/fog resistant protection enabling reliable performance in the toughest environmental conditions.

**DSP EQ** **DSP EQ** Allows common EQ settings to be applied to enhance music content, such as Pop, Classical and Rock or manually adjust bass and treble for a tailored sonic experience.

**Variable Brightness** Adjust the display brightness from 100% for normal operation to 30% brightness to reduce screen glare during night time operation.

**107mm** **Ultra Shallow Mounting** With a new ultra shallow dash mounting depth it's easier than ever to install the MP Series in any environment.

**USB** **USB** Play USB thumb drives with supported audio media and charge USB devices such as smartphones with USB charging.

**AM/FM RADIO** **AM/FM Radio** Listen to your favorite AM and FM radio stations. Save your favorite stations with 18 FM and 12 AM presets available. Compatible with both US and European frequencies.

**12V TRIGGERS** **12V Triggers** Control up to two external devices, such as amplifiers, deck, or spot lighting directly from the stereo or remote control. Output 12V DC, 3A max.

**Remote Ready** Connect wired and wireless remote controls for an easier listening experience with the ability to control your MP6's features and view track info on the remote display wherever you want.

**2 YEAR WARRANTY** **2 Year Warranty** Aquatic AV products are built to be reliable and durable. The MP6 comes with a two year warranty that can be extended with product registration.
